PROFESSIONAL EXPERIENCE

Target

Mountain View, CA

Service & Engagement Team Leader

Oct 2024 - Present

- Managing a team of 45 individuals, driving significant growth in key metrics through effective coaching, support, performance management, and fostering a strong team culture
- Contributing to double digit improvements in key drivers such as Checkout Wait Time, Cleanliness, and Customer Interaction compared to the previous year
- Taken full ownership of Drive Up operations, reducing unscanned bags by 10% to under 3%, improving fulfillment accuracy, ensuring timely execution of Drive Up services during Q4 peak, and increasing Drive Ups delivered on time by over 7% during my time in role

Price Delegate

Mar 2024 - Aug 2024

- Consistently achieved 97-99% RFID scan accuracy and maintained full RFID compliance, contributing to a reduction in missing clothing inventory
- Improved Price Audit accuracy by over 3% through follow-ups with team members, validating pricing on newly stocked merchandise, and ensuring correct labeling, resulting in more than a 70% decrease in pricing errors compared to the previous year
- Ensured sale sign take down compliance, reducing price challenges due to expired signage by 22%

Guest Advocate

Oct 2023 - Mar 2024

RESEARCH

First Gen Students Across UCs

Santa Cruz, CA

Qualitative Research Methods | UCSC

Apr 2023 - Jun 2023

- Conducted a 3-month qualitative study on first-generation students' experiences with guilt and identity within the UC system, strengthening research and analytical skills
- Performed a literature review of 10 studies to identify research gaps, developed an orthographic transcription method, and interviewed 3 participants, producing a 17-page transcript
- Analyzed transcripts using textual analysis, produced a 14-page report, and presented findings to an audience of 40 students
